Ways to Score Points at Bridge

9:00am-9:30am ~ Registration, Pastries and Q&A with Donna

9:30am-12pm ~ All About Doubles!

Bridge is a bidder's game and doubles are the answer. Join me for a fun-filled morning of discussing all the doubles you need to take your bidding to the next level.

We will talk about which doubles belong to which seat at the table and clarify when the double is for takeout and when the double is for penalty.

We will play hands throughout the morning to reinforce all of the new concepts.
